

Weekly update

Week ending: 19.01.2018

Theme: Community

The theme last week was community and we take great pride in the word 'community' being in the title of our school. From inviting older members to lunch on Wednesdays' to supporting the local churches with donations for food banks and developing links with local care homes, the children have a variety of experiences and opportunities to work with our community. It is very important for the children to appreciate the skills and talents that make up a community and how the smallest of actions or thoughts can contribute towards it. This week the theme is caring; looking at how we show we care for each other and ourselves. Thank you for your continued support.

Online payments/Bank Payments—Please could we please stress that any payments made into school /Tots accounts must have the child's name as your reference. Without this payments cannot be assigned to your child resulting in a delay in matching payments to your account. Many thanks in advance.

Please can we ask that all pupils with long hair have all hair tied up each day .i.e. ponytails, pigtails, plaits, bun etc. This will help to reduce the chance of head lice passing from pupil to pupil.

Parent Information

Please don't forget that if we have a meeting with an external agency, such as Health or Education professionals, you can speak to staff if you have any concerns or questions that you would like the school to raise on your behalf.

Calling all tree surgeons and or Gardeners

Our forest school staff have a request to any tree surgeon parents or anyone else who could supply forest school with branches for den building (believe it or not we are running low!!)

They are looking for straight (ish) pole size (think broom stick width) branches that are quite long (around 4/5ft or more) preferably with a 'Y' shape at the top. If you can help please contact the main school office.

Chestnut Grove traffic

In the interests of safety could we please remind everyone that traffic travels in one direction on the Grove. Cars leaving our car park are particularly reminded to follow the blue direction signs clearly posted and veer left on

Please can all parents /guardians ensure that all children come to school with a filled water bottle and wearing appropriate shoes and coats for the weather.

Medicine in school

Please be aware that school will **only** supply Calpol to children in an emergency situation. If your child requires medicine throughout the day a medical form **MUST** be completed and Medicine supplied to school.

Upcoming diary dates:

WHP (Wyre Forest & Hagley project) next drop in session with Caroline Hallam– 5th Feb 14.00-15.00

Speech and Language therapy drop in each Thursday in The Chestnut Centre. 9.30-15.00

Parents evening— letters will be sent out on January 26th with dates and timings. Please look out for these.

The Family Learning Workshops are back in full swing in Reception!

This term the families involved are working towards achieving their 'Arts Award Discover' certificates and have been busy looking at places in our local area. This has involved reading stories, making maps and thinking about different journeys people may go on.

We are so excited to see what else the children will be doing!

If you are in Reception and are interested in becoming involved please speak to Miss Le Besque.

→→→→→ CALLING ALL YR5 & YR6 GIRLS ←←←←←

In addition to our new U12's and U13's Girl's Section, we are looking to attract U10's and U11's girl's for a monthly training session.

The aim is to assist in the transition from mixed rugby to U12's girls's rugby.

Come along to our first session on Sunday 21st January 10.00-11.00am.

All levels of fitness & ability are very welcome. We are a long standing club with experienced and qualified coaches who provide friendly and approachable guidance. Every Age Group has a qualified First Aider.

No need to pre-register, just turn up for a warm welcome.

Free to attend initially.
