

## Background

The PE curriculum at Franche is broad, balanced and engaging. It is designed to enable our pupils to become physically competent, resilient and inspired to achieve their personal best. Each class has one of their two PE lessons taught by a specialist PE teacher ensuring high quality teaching, learning and progression of skills. The other lesson is taught by the class teacher who is mentored and assisted by the specialist. In addition, Franche has two PE TAs who target and support specific groups of pupils to raise their physical participation, as well as their self-esteem. They also deliver a structured programme of physical play during breaktimes enabling all pupils to access a range of active games and sports.

Franche has established links with a number of local sports clubs. This enhances Franche's curriculum through the support of professional coaches, including golf, tennis, cricket, rugby, football, netball and athletics. Pupils also have various opportunities to experience outdoor and adventurous activities, for example, residentials, bell boating, rock climbing, survival skills, den building, abseiling and canoeing.

Throughout the academic year, there are a range of inter-house competitions and festivals. This engages many pupils in a variety of sports and physical activities. In addition, Franche participates in regular intra competitions, including, tag rugby, football, netball, athletics, OAA, tennis, tri-golf, rounders and hockey. Individual and team performances are always shared and celebrated with parents/carers and the wider community. PE and school sport is highly valued and pupils appreciate the opportunities and experiences. The PE curriculum is further enhanced by our successful enrichment programme that allows pupils to participate in non-traditional activities for example, skiing, rocket-ball, archery and kho kho.

Franche has been awarded and sustained the Gold School Games Mark. This demonstrates Franche's continued commitment to PE and School Sport.

## **Vision**

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

## **Objectives**

The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.

The profile of PE and sport being raised across the school as a tool for whole school improvement.

Increased confidence, knowledge and skills of all staff in teaching PE and sport.

Broader experience of a range of sports and activities offered to all pupils.

Increased participation in competitive sport.

**Sport Premium funding – Evidencing the Impact**

On 17th July 2017 the Department for Education confirmed that the Primary PE & Sport Premium will double from September 2017, to improve the provision of physical education (PE) and sport in primary schools in England.

Outlined below are the 5 key indicators that the DfE expect the funding to support **additional or sustainable improvements** to the quality of PE and sport that we currently offer:

(1) Engagement of all pupils in regular physical activity	(2) The profile of PE and Sport raised across the school and community, for whole school improvement	(3) Increased confidence, knowledge and skills of staff in teaching PE and sport	(4) Broader experiences of a range of sports and activities offered to all pupils	(5) Other indicators identified by the school
